SHOW UP | BE SEEN | LIVE BRAVE™

## BIENNIAL MEMBERSHIP RENEWAL POLICY

Our biennial renewal process is part of our commitment to growing an engaged and well-informed community by promoting the highest level of evidence-based practice among our practitioners.

Your biennial membership renewal is due every 24 months from the date of your in-person training.

### **WHAT IS THE COST ASSOCIATED WITH MEMBERSHIP RENEWAL? WHEN DOES THE RENEWAL PERIOD BEGIN?**

The current cost for renewal is \$250 every two years.

Your first renewal fee will be due two years from your in-person training date. For example, if you attended a training in January 2017, your first renewal will be due two years later in January 2019. You will receive a reminder email from The Daring Way with a link to renew.

### **WHY DO WE REQUIRE RENEWAL?**

We require renewal to ensure that each facilitator stays current with best practices of The Daring Way new curricula. This includes all required updates on research associated with Brené's work and The Daring Way™.

Membership renewal also promotes continued engagement with other practitioners in The Daring Way™ community.

## WHAT IS REQUIRED?

We require that within a two-year timeframe you complete at least 6 Daring Credits. One Daring Credit is equal to one clock hour. This will not require additional work for you since these are credits you already need for the maintenance of your professional license or credential.

Opportunities for Daring Credits include:

1. RESEARCH UPDATES from Brené provided by The Daring Way Team
2. IMPLEMENTATION TRAININGS that cover new ways to implement Brené's research (ex: curriculum for adolescents)
3. WEBINARS from our free Daring Way Webinar Library (see Webinar Library in MemberClicks for CE board approvals)
4. Attendance at GEOGRAPHIC REGION MEETINGS (the number of Daring Credits is dependent on the number of hours confirmed by Geographic Region Leaders)
5. Attendance of COURAGE CAMP sessions (also approved by some boards for CE credits)

## HOW DO I RENEW?

You will receive a reminder email from The Daring Way Team with a link to renew. If you are unsure of your renewal date, it is listed in your MemberClicks profile under Administrative Requirements.

Certified Daring Way™ Facilitators are required to keep track of their own Daring Credits and to list them on their renewal form. You are not required to upload certificates in the renewal form, but you may be asked to provide them by email.

Renewals must be paid by credit card using the link in the renewal form.
